

24th European Congress on Gynaecological Oncology | Istanbul, Türkiye

Thursday, September 28, 2023

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Breakout room IV
09:00-12:00				Workshop 1: Essential maneuvers in GO surgery - tips, tricks and pitfalls (video)	Workshop 2: Basic statistical concepts for designing gyn-onc research projects	Workshop 3: Fluorescence guided surgery in GO from A to Z	Workshop 4: Ovarian cancer surgeon summit supported by AZ	ESGO exam
12:00-12:30	Lunch break & exhibition							
12:30-13:30	ESGO Colloquium/Industry symposium 1	Industry symposium 2	Industry symposium 3					
13:35-14:35	Best oral session 1							
14:40-15:40	Opening ceremony							
15:40-16:00	Coffee break & exhibition							
16:00-17:00	Scientific session 1: Biology based surgery in Ovarian Cancer: are we ready for prime time?	Scientific session 2: Cervical cancer: current treatment and future perspectives (from RT advances to immunotherapy in advanced disease)	Mini oral session 1					
17:05-18:05	Debate 1: Will the primary surgical approach in advanced ovarian cancer be guided by HRD status?	Video session 1	Scientific session 3 organised by ENYGO and ENGAGe: Best supportive care and quality of life in GO					
18:10-19:10	Scientific session 4: PARP inhibitors in Ovarian Cancer: For Better or Worse?	Scientific session 5: The fascinating evolution and revolution of surgery in cervical cancer	Tumour board 1: Is the extrabdominal disease in ovarian cancer a limit for primary cytoreduction?					
19:10-20:00	Welcome drink							
20:30-21:30								Sports game organised by ENYGO

Friday, September 29, 2023

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Breakout room IV
08:00-09:00	Industry symposium 4							
09:05-10:05	State of the art session 1: Integration of molecular profile into FIGO staging of endometrial cancer	Live surgery	Scientific session 6 organised by ENYGO: The role of microbiome in gynaecologic malignancies: myth or reality?					
10:05-10:25	Coffee break & exhibition							
10:25-11:25	Scientific session 7: Updates of last clinical trials that have changed our disease management		Mini oral session 2					
11:30-12:30	Debate 2: Is there a space for neoadjuvant chemotherapy prior to trachelectomy in the conservative treatment of cervical cancer?		Best three minutes presentations					
12:30-13:00	Lunch break & exhibition							
13:00-14:00	Industry symposium 7							
14:05-15:05	Presidential and Awards session							
15:05-15:50	Coffee break & exhibition Commented Paper poster session A							
15:50-16:50	Best oral session 2	Scientific session 8: Antibody Drug Conjugates in gynecological malignancies: the most promising treatment at horizon?	Video session 2					
16:55-17:55	Debate 3: Should all HRD/BRCA patients be treated with PARP+antiangiogenic agents?	Scientific session 9: The battle-horse of the upper abdomen in cytoreductive surgery	Tumour board 2: Is there a role for fertility sparing in uterine stromal tumors ?					
18:00-19:00				General assembly (ESGO members only)				
20:00-22:00				Invited speakers' dinner				

ENGAGe
Patient Advocacy Seminar

Saturday, September 30, 2023

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Breakout room IV
07:30-09:00								ESGO Awareness run and Walk for health
09:00-10:00	Debate 4: 25 years experience in ERAS, do we know enough to establish this tool as a standard in gynaecological oncology?	Scientific session 10 organised by ENYGO and ENGAGe WHO Cervical Cancer Challenge: From screening to vaccination to eliminate the tumor	Mini oral session 3				ENGAGe Patient Advocacy Seminar	
10:05-11:05	Best oral session 3	Scientific session 11: Conservative treatment in gynaecological malignancies (from conservative surgery to fertility issue)	Video session 3					
11:05-11:30	Coffee break & exhibition							
11:30-12:30	Industry symposium 10	Industry symposium 11	Industry symposium 12					
12:30-13:00	Lunch break & exhibition							Tree planting organised by ENYGO
13:00-14:00	State of the art session 2: Controversial topics in ovarian cancer consensus conference	Scientific session 12: Global health in low-income countries: a framework for action	Tumour board 3: What is the best treatment approach for recurrent cervical cancer?					
14:05-15:05	Debate 5: Is Hipeca a standard or an option in ovarian cancer?	Scientific session 13: Endometrial cancer: are we changing the history of disease? (from molecular classification to immunotherapy including advanced and recurrent)	Scientific session 14: The challenge of pre-invasive low genital tract lesion: management and open questions					
15:05-15:50	Coffee break & exhibition Commented Paper poster session B							
15:50-16:50	Scientific session 15: Is oligometastatic disease different in gynaecologic oncology?	Scientific session 16: Is there a role for predictive biomarker in gynaecological malignancy treatment in 2023?	Mini oral session 4					
16:55-17:55	State of the art session 3: Updated cervical cancer mobile app and risk calculator	Scientific session 17: Conservative treatment in endometrial cancer in the modern era	Young investigator session					
18:00-19:00				Meet the expert	Meet the expert	Meet the expert		
21:00-24:00							Networking event organised by ENYGO	

Sunday, October 1, 2023

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Breakout room IV
09:00-10:00	Round table	Scientific session 18: Combining the fortress of ESGO accredited centers: ESGO Database	Scientific session 19 organised with ENYGO: Current status and future of SLN concept in GO					
10:00-10:20		Coffee break						
10:20-11:20	Debate 6: The era of robotic surgery in gynaecologic tumors	Scientific session 20: Challenging bowel surgery for gynecologic oncologist	Tumour board 4: Treatment of high intermediate and high risk endometrial cancer				ENGAGE Patient Advocacy Seminar	
11:25-12:25	Best oral session 4	Scientific session 21: Rare tumors in gynecology oncology: Are they so rare?	Video session 4					
12:30-13:00	Closing ceremony							
13:30-16:30				Workshop 5: New developments in pelvic exenteration			Workshop 6: Prevention, troubleshooting and management of complications in radical GO surgery - how can I solve it?	Workshop 7: Ultrasound: Ovarian tumours (IOTA certificate)
