

25th European Congress on Gynaecological Oncology | Barcelona, Spain

Thursday, March 7, 2024

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Offsite
09:00-12:00				Workshop 1: Ultrasound guided procedures + Imaging of lymph nodes			Workshop 2: ESGO, EFC, ISSVD, IPVS workshop on colposcopy	
	Lunch break & exhibition							
12:30-13:30	ESGO Colloquium/Industry symposium 1			ESGO Colloquium/Industry symposium 2		ESGO Colloquium/Industry symposium 3		
13:35-14:35	Best oral session 1							
14:40-15:30	Opening ceremony							
15:30-15:50	Coffee break & exhibition							
15:50-16:50	State of the art session 1: ESGO-ESHRE-ESGE Guidelines on Fertility sparing management gyn cancers		Scientific session 1: Stage IV ovarian cancer: when primary surgery is the best treatment		Scientific session 2: Cervical cancer is a preventable disease: state of the art of screening and vaccination and future challenges			
16:55-17:55	Debate 1: Treatment of stage IB2-3 cervical cancer: a difficult decision?		Scientific session 3: Adjuvant treatment in ovarian cancer: What have we learned in 10 years of maintenance treatment		Video session 1			
18:00-19:00	Scientific session 4: Is there a role for liquid biopsy in gynaecological tumors: prevention?		Scientific session 5 organised by ENYGO: Uterine sarcomas: lightning the grey zones in diagnosis and treatment		Mini oral session 1			
19:00-20:00	Welcome drink							
21:00-24:00								Networking event organised by ENYGO

Friday, March 8, 2024

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Offsite
08:00-09:00	Industry symposium 4	Industry symposium 5	Industry symposium 6					
09:05-10:05	State of the art session 2: ESGO-ISUOG Consensus statement on ultrasound-guided core-cut biopsy	Live surgery BELLVITGE BARCELONA	Scientific session 6 organised by ENYGO: Gynaecologic cancer treatment complications in survivorship (lower leg lymphedema, vaginal discomfort, bowel malfunctioning, long term neuropathy)					
10:05-10:25	Coffee break & exhibition							
10:25-11:25	Debate 2: What is the best imagine tool for evaluate cytoreduction in advanced ovarian cancer?		Mini oral session 2					
11:30-12:30	Scientific session 7: Horizon scanning: new strategies in gynaecologic tumors		Best three minutes presentations					
12:30-13:00	Lunch break & exhibition							
13:00-14:00	Industry symposium 7	Industry symposium 8	Industry symposium 9					
14:05-15:05	Presidential and Awards session							
15:05-15:50	Coffee break & exhibition Commented Paper poster session A							
15:50-16:50	Best oral session 2	Scientific session 8: How to select and develop the right flap for reconstructing your surgical procedure	Tumour board 1: Management of clear cell ovarian disease: a multidisciplinary challenge					
16:55-17:55	Debate 3: Active chemotherapy treatments in late stage ovarian cancer: Do we stop rather too late or often too early ?	Scientific session 9: Updates of last clinical trials that have changed our disease management	Video session 2					
18:00-19:00			General assembly <i>(ESGO members only)</i>					
20:00-22:00								Invited speakers' dinner

ENGAGe
Patient Advocacy Seminar

Saturday, March 9, 2024

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Offsite
07:30-09:00								ESGO Awareness run and Walk for health
09:00-10:00	Scientific session 10: To what extent immunotherapy is changing the landscape treatment of gynaecological malignancies?	Video session 3	Tumour board 2: Treatment of recurrent uterine sarcoma: is there a role for surgery?					
10:05-11:05	Debate 4: How to interpret clinical trial results: is RCT still the high level of evidence in the era of rapidly evolving treatment landscape?	Scientific session 15: Is population screening for BRCA feasible worthwhile?	Mini oral session 3					
11:05-11:30	Coffee break & exhibition							
11:30-12:30	Industry symposium 10	Industry symposium 11	Industry symposium 12					
12:30-13:00	Lunch break & exhibition							
13:00-14:00	Scientific session 12: Understanding and targetting the mechanisms of drug resistance: PARP, IMMUNOTP, ADC	Scientific session 13 organised by ENYGO: Past, present and future of exenterative surgery: indication and contraindications	Tumour board 3: The treatment of low grade ovarian cancer: to what extent the grade counts in the medical and surgical decisions?					
14:05-15:05	Best oral session 3	Scientific session 14: Molecular tetralogy of endometrial cancer: pathological aspects, clinical implications and what is coming next	Scientific session 15: Onco-vascular surgery for gynaecologic oncologists					
15:05-15:50	Coffee break & exhibition Commented Paper poster session							
15:50-16:50	State of the art session 4: ESGO-EURACAN-GCIG Uterine sarcoma guidelines	Scientific session 16: Rare cervical cancer: a challenge for pathologist, gynaecologist and medical oncologist	Mini oral session 4					
16:55-17:55	Debate 5: Should we abandon retroperitoneal staging in locally advanced cervical cancer?	Scientific session 17: Quality of life for patients and health care providers	Young investigator session					
18:00-19:00			GO summit	Meet the expert	Meet the expert	Meet the expert		
21:00-24:00								

ENGAGE
Patient Advocacy Seminar

Sunday, March 10, 2024

Time/Room	Meeting hall I	Meeting hall II	Meeting hall III	Breakout room I	Breakout room II	Breakout room III	Breakout room IV	Offsite
09:00-10:00	State of the art session 5: ESGO-EOTTD-ISSTD-GCIG Gestational trophoblastic disease Guidelines	Scientific session 18: Robotic surgery: challenges in gynaecologic malignancies	Tumour board 4: Multidisciplinary management of locally advanced vulvar cancer				ENGAGE Patient Advocacy Seminar	
10:00-10:20		Coffee break						
10:20-11:20	Debate 6: Can genomics predict EC patient surgical management?	Scientific session 19: Rare tumors in GO: Are they so rare? (from surgery to medical treatment - small cell ovarian tumors, mucinous ovarian cancer, granulosa cell tumour)	Scientific session 20 organised by ENYGO: Conservative treatment of cervical cancer: from surgical indications to fertility management options					
11:25-12:25	Best oral session 4	Scientific session 21: Urological complications: All what you need to know to repair the urologic tract	Video session 4					
12:30-13:00	Closing ceremony							
13:30-16:30				Workshop 4: Anatomy for a young gynaecologist	Workshop 5: New surgical devices. How to do better and faster	Workshop 6: How to read and interpret radiologic imaging in gynaecological cancers
