# Certificate

for climate protection donation

The European Society of Gynaecological Oncology  
donated for climate protection on 15.11.2023  
**21.430,00 Euro** to atmosfair.

## What does your climate protection contribution accomplish?

With your climate protection contribution with the amount of 21.430,00 Euro, you are supporting the following project:

## Nepal: You are helping farmer families

In rural Nepal, wood is the most important energy source. But the population grows quickly and wood is becoming less and less. What's the solution? The waste of Nepal's most important commercial sector: farming. Your donation supports building new biogas plants, which turn dung into gas. This is used to cook on gas cookers.

atmosfair operates its projects according to the Clean Development Mechanism (CDM) outlined in the Kyoto Protocol as well as the "Gold Standard" established by international environmental organisations. Independent organisations approved by the United Nations (e.g., TÜV) audit the projects' actual CO<sub>2</sub> reductions.
